

## SURFACE PUMP DATA INFORMATION

| PUMP TYPE                       | FIRE                     | CONTRACTOR            | INDUSTRIAL | X |
|---------------------------------|--------------------------|-----------------------|------------|---|
| Stock No                        | SP9146                   | Retail Price          | £325-00    |   |
| Manufacturer                    | EBARA                    | Date In Stock         | -          |   |
| Model                           | EVMV2.5N                 | Year of Manufacture   | -          |   |
| Serial No                       | 3900002005A              | CHASSIS               |            |   |
| PUMP DATA                       |                          | Open/ Skid            | -          |   |
| Max Flow                        | 3.6 M <sup>3</sup> /HR   | Sound Attenuated      | -          |   |
| Max Head                        | 49.4 M                   | Length                | -          |   |
| Suction Size - mm               | 1-1/4"                   | Width                 | -          |   |
| Suction Coupling Type           | BSP FEMALE               | Height                | -          |   |
| Discharge Size - mm             | 1-1/4"                   | Colour                | -          |   |
| Discharge coupling Type         | BSP FEMALE               | Condition             | -          |   |
| Discharge Detail NRV/Gate/Gauge | NO                       |                       |            |   |
| Shaft Seal – Mech /Packing      | MECHANICAL SEAL          | LIFTING DATA/ CHASSIS |            |   |
| Pump Speed Min/Max              | 2900 RPM MAX             | Weight Kg             | -          |   |
| Impeller Type – Open/Closed     | -                        | Centre Point          | -          |   |
| Impeller Size                   | -                        | Corner                | -          |   |
| Solids Handling                 | -                        |                       |            |   |
| Others – Stages                 | 5                        | Forklift              | -          |   |
| Material                        | 304 STAINLESS STEEL      | Trailer – Road tow    | -          |   |
| Priming Type Comp/vac/ventr     | 2-3M MAX WITH FOOT VALVE | Trailer – Site tow    | -          |   |
| Long/Close Coupled Pump         | CLOSE                    | Tow Bar Type          | -          |   |
| Belt Drive                      | -                        |                       |            |   |
